Dear Cousin:

As you may know, we are in the process of writing Volume III of The Merwin Family in North America.

Unfortunately, you dropoped your membership in our Association; so, unless you rejoin, we must drop all mention of your family from your mother's entry in volume III. All that will show is your name and date of birth.

This is your only opportunity to be in the book. Please send me a check for $10 annual dues payable to Miles Merwin Assn. and I shall reinstate you and include you entry in Volume III. I must hear from you by Novemer 15th.

Best regards,

Dear Cousin:

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

Will you please give me any needed addition or correction of your entry as we now have it. A copy is enclosed.

If you have been born a Merwin (with the surname Merwin), you will be included in Volume III without question. You need not be a member of our Association. However, we would be pleased to have you join to support our efforts and be informed of the doings of Merwins around the globe. Just send me a check in the amount of $10 payable to Miles Merwin Assn. for annual dues and we will sign you up. If you are already a member, we appreciate your support.

If any of your children are now married, please give me their current address so I may contact them.

Best regards,

Merwyn R. Buchanan

Dear Cousin:

Enclosed is a draft of your family entry, as it now stands, for Volume III of The Merwin Family in North America which we are compiling now.

Since both you and Lori have dropped your memberships in the Association, I will be forced to drop all the information about Lori's family. Only her name and date of birth will be shown. This can be avoided if you convince Lori to reinstate her membership. A dues notice is enclosed for her convenience.

If any of your other children are now married and wish to have their families included in Volume III, have them send me a check payable to Miles Merwin Assn. for $10 annual dues and I shall contact them for information.

Since you were born a Merwin, your entry will be in the book whether or not you reinstate your membership. However, we would appreciate your joining to help us with a very expensive project.

If I do not hear from you or yours by September 30th, I shall understand you are not interested.

Dear Cousin:

Gaius Merwin passed on to me your letter of Nov. 30th in which you reported your new grandchild Joshua. His birth will be duly recorded in the Supplement and reported in Milestones.

I wrote to Colleen on April 2nd asking her if she were interested in joining our association and having her family in the Supplement, but, to date, she has not replied. Unless I hear from her by January 15th, I'll assume she is not interested and close her file. I would regret doing this since Cassandra is one of the few fourteenth generation Merwins, but I'll have no choice.

Sincerely,

Merwyn

Dear Lori:

Many thanks for your family record sheet. I believe I have all the statistics straight.

There are just two more things I need. One, a brief biography of you and Gerald.

Two, you must join to have your family in the Supplement. Otherwise, I can only show your name + ~~Bir~~ birth date. It would be a shame to eliminate your children. I believe they are the only 14th generation Merwin's I have found to date. $2.00 is certainly cheap enough to show your interest in our organization.

Dear Darlene:

Welcome to the Miles Merwin Association!

Sorry, I take for granted that everybody knows about The Merwin Family in North America, the genealogy we published in 1978. It has over 1100 ~~Pa~~ pages in it and covers the descendants of Miles Merwin (1623-97) through the tenth generation. Your grandfather is shown ~~as~~ with all his twelve children. & Your father is the 11th and you are the 12th generation and you and your family will be shown in the Supplement (will cover 10th, 11th, 12th, 13th etc.).

Enclosed is an order blank for MFNA. It is a terrific book.

Sincerely,

Merwyn

Claude and Darlene Saylor both graduated from Garfield County High School in 1957, at Jordan Montana. We are both Catholics, members of St. John the Baptist Church in Jordan. We were both born in Jordan, as were all 6 of our children.

We are ranchers; presently raising cattle, horses, and wheat. We live on the ranch where Claude was raised and have bought it from his father; this being our home since we were married.

We are also outfitters and have [redacted] accomodated hunters for the past 15 years. Claude is a director on the board of the Montana Outfitters and Guides Association. He also served on the Montana Outfitter Council for seven years.

Dear Cousin:

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

Will you please give me any needed addition or correction of your entry as we now have it. A copy is enclosed.

If you have been born a Merwin (with the surname Merwin), you will be included in Volume III without question. You need not be a member of our Association. However, we would be pleased to have you join to support our efforts and be informed of the doings of Merwins around the globe. Just send me a check in the amount of $10 payable to Miles Merwin Assn. for annual dues and we will sign you up. If you are already a member, we appreciate your support.

If any of your children are now married, please give me their current address so I may contact them.

I am RONALD JO^{12}, son of Leonard Frances^{11}, as listed on page 969 of "The Merwin Family in North America." (see entry 4770.6. . . .)

I look forward to the second Volume which will include the latest generations.

Also, I doubt you remember but my wife Jessie and I met you in Milford at an Assoc. Reunion in '74. I have since retired from the US Navy (Submarines) as a LCDR.

Dear Cousin:

We are writing a Supplement to The Merwin Family in North America (published in 1978). Our purpose is to continue that genealogy from the tenth through the fourteenth generations (from Miles Merwin 1623-1697).

Since you are one of our family, we would appreciate your completing the enclosed family record. Missing items are encircled or indicated by a question mark. There is no charge or obligation on your part. All Merwins should be in the book.

Your cooperation will be much appreciated.

Best regards,

Merwyn

In order to have your family entry in Volume III of The Merwin Family in North America, you need not become a member of our Association. You will be in the book anyway. However, I am enclosing a dues form in case you would like to join. We issue a newsletter three times a year which keeps you up to date on the doings of more than 600 Merwins and announces annual and regional reunions. Think you would enjoy it.

Please fill in the a brief biography of both of you as suggested below the entry. Are any of your children married? If so , I would like his or her address.

Dear Cousin:

Enclosed is a draft of your family entry for Volume III of The Merwin Family in North America. Please fill in the blanks and make any needed correction.

Our Association has a rule which says that, in order to show the family entry of a person not born a Merwin, they must join our Association. The Directors feel that such persons should show that much interest in the Association to be included. Accordingly, in order to show DeAntha's family, she must join. Enclosed is a dues notice for that purpose. Of course, you may also join, but, since you were born a Merwin, you will be in the book whether you join or not.

In addition to correcting the enclosed entries, please fill out the suggested biographies as shown below the entries.

It was a pleasure talking to you on the phone last night. Thank you for your courtesy.

Dear Cousin:

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

Will you please give me any needed addition or correction of your entry as we now have it. A copy is enclosed.

If you have been born a Merwin (with the surname Merwin), you will be included in Volume III without question. You need not be a member of our Association. However, we would be pleased to have you join to support our efforts and be informed of the doings of Merwins around the globe. Just send me a check in the amount of $10 payable to Miles Merwin Assn. for annual dues and we will sign you up. If you are already a member, we appreciate your support.

If any of your children have married since this entry was made in the genealogy, please give me their current address so I may write them.

If there is no reply to this letter by 30 June 1989, your entry will be shown in Volume III just as it appears on the enclosure.

Dea Cousin:

Last night when I talked to you on the telephone you seemed to question why I was asking for information about your family.

Enclosed is a copy of the Association booklet which will give you the background of our association. In 1983 when we published the second volume of our genealogy, you showed in your father's entry on p. 710 together with your sister and brother, Jerry. His family was shown separately because he was married and had Lindsay. Now that you are married, we would like to show your family in Vol. III.

There is no obligation or expense to you. You do not need to join our Association. You are a Merwin and your family belongs in the Merwin Genealogy. You are of the twelfth generation from our immigrant ancestor, Miles [1] Merwin. Won't you provide you information? I shall send you a draft of your entry when you do. If you want to change it in any way, you may. Fair enough?

Dear Cousin:

When I talked to you on the phone last night, you seemed to question why I am asking for your family information.

Enclosed is a booklet which explains about our Association and its work. I assure you there is no cost or obligation on your part. Our only object is to record all persons descended from Miles [1] Merwin, our immigrant ancestor. You are in the 12th genearation from him and one of the great Hettinger, ND, family of Francis Henry & Myrle Evelyn (Gillespie) Merwin. All of their fifteen children are shown in Vol. II and we are hoping to show all of their grandchildren's families in Vol. III. May I hear from you?

Dear Cousin:

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

Will you please give me any needed addition or correction of your entry as we now have it. A copy is enclosed.

If you have been born a Merwin (with the surname Merwin), you will be included in Volume III without question. You need not be a member of our Association. However, we would be pleased to have you join to support our efforts and be informed of the doings of Merwins around the globe. Just send me a check in the amount of $10 payable to Miles Merwin Assn. for annual dues and we will sign you up. If you are already a member, we appreciate your support.

If any of your children are now married, please give me their current address so I may contact them.

Dear Mr. Buchanan:

Recently I received a letter from you stating that according to your records, we had not made our payment of $5 to the Miles Merwin Association for the 1982-83 annual dues.

However, on June 7, 1982 I wrote and mailed our check No. 1943 for $5 to the Miles Merwin Association for the 1982-83 dues. And I also have record that on June 14 the check was cashed.

Therefore, please check your records again. If there still is a problem, please let me know. Otherwise I look forward to seeing our family included in the Supplement. Thank you.

Sincerely,

Sandy Merwin

Dear Cousin:

We are writing a Supplement to The Merwin Family in North America (published in 1978). Our purpose is to continue that genealogy from the tenth through the fourteenth generations (from Miles Merwin 1623-1697).

Since you are one of our family, we would appreciate your completing the enclosed family record. Missing items are encircled or indicated by a question mark. There is no charge or obligation on your part. All Merwins should be in the book.

Your cooperation will be much appreciated.

Best regards,

Merwyn

Dear Cousin:

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

Will you please give me any needed addition or correction of your entry as we now have it. A copy is enclosed.

If you have been born a Merwin (with the surname Merwin), you will be included in Volume III without question. You need not be a member of our Association. However, we would be pleased to have you join to support our efforts and be informed of the doings of Merwins around the globe. Just send me a check in the amount of $10 payable to Miles Merwin Assn. for annual dues and we will sign you up. If you are already a member, we appreciate your support.

If any of your children are now married, please give me their current address so I may contact them.

Dear Cousin:

When I talked to you on the phone on June 26th, you said that Gail would be married on July 1st and you said her husband's name was Thomas, that they would live at 8480 Hyne, Brighton MI 48116. You probably told me Thomas' last name but I failed to note it.

Please give me Gail's married name so that I may write her.

I wrote Cindy on June 27th even though you said she was returning to school and would be moving shortly. May I have her new address?

Your help is much appreciated.

FINDING BAPTISMAL RECORD OF MILES [1] MERWIN

We reported in the August 1985 Issue (No.75) of Milestones that the Merwin Association's researcher in England, Mr. I.R. Harrison, of Norfolk, had found a baptismal record that could be of our immigrant ancestor, Miles [1] Merwin, 1623-1697. He found the entry in the baptismal records of New Windsor, Berkshire; it read as follows: "1 Feb 1623 Myles, sonne of Gualter Murwin, born in Cluar Parish". Since we know from the tomstone of our immigrant ancestor in the Milford, CT, cemetery that he was born in 1623, there is strong presumption that this is his baptismal record. It may also be noted that the first vowel in the surname could also be read as an "e" rather than a "u"; in seventeenth century handwriting, called Secretary's Hand, the shape of the letter "e" closely resembled that of the letter "u".

The Parish of Clewer (to use the modern spelling) is situated between the two detached areas of the Parish of New Windsor. Dear Cousin:

In 1978, we published a history of the Merwin family (The Merwin Family in North America). Your father's name was shown in it as a tenth generation descendant of Miles Merwin (1623-1697).

We are now writing a book to carry on the later descendants down as far as they go. Mrs. Jerry Merwin (Bettye) of Ozona, Tex. gave me your address so I could ask you for information about you and yours to put in the book.

Enclosed is a history sheet for you. Will you please fill in the encircled or questioned items and return the form to me?

May I also have the present address of your mother? And your brothers and sisters, please.

Your help will be much appreciated.

Best regards,

Merwyn

Irena Barnum b. 30 May 1813 in Braceville; d. 6 Nov 1891 in Vineland, Cumberland County, NJ, a dau. of Eli & Mary (Dibble) Barnum, by whom he had two daus. b. in Braceville:

+1648. Fannie Augusta^{8} Merwin b. abt. 1839
+1649. Minnie Aurelia^{8} Merwin b. 18 Jan 1840

Uri Nettleton Merwin was appointed Justice of the Peace for the Township of Braceville, OH on 27 Nov 1837; Assistant Assessor for Southington, Braceville, Newton and Lordstown in the County of Trumbull, OH on 11 Sep 1862; Assessor of Division No. 11 of the 19th Collection District of Ohio on 30 Sep 1863. Thus, in middle life, he wa a well established, respected, successful resident of the new frontier stare of Ohio - a growing, booming area of opportunity. He was a genius in cabinet making, a farmer, and also possessed literary talent of considerable merit. In middle life, he became interested in spiritulaism. He and his brother , Edward Parsons Merwin, travelled to nearby towns lecturing on the beauties of spiritualism. Despite the fact that he was a respected member of the community as indicated by the offices he held, in middle life, Uri uprooted his family to settle in the town of Vineland, Cumberland County, NJ. Vineland was settled by The Friends of Progress, a spiritualist organization. Charles Lewis Merwin, Sr. of East Palestine, OH, stated, "The four or five worthies who left Ohio (and Uri was one of them) to promote the movement in the Jersey flats thought they could radiate to better advantage if not surrounded too closely by the New England Puritans who settled Ohio". Just when he migrated to New Jersey is not known. However, on p.61 of *The Vineland Historical Magazine*, dtd Jan-Apr 1943, there is an article entitled, "Register of Two Old Vineland Hotels". Under The Magnolia House, Wednesday, 20 September 1865 are listed:

Dear Cousin Helen:

Thank you for your phone call. It was a pleasure to talk to you.

Enclosed is the listing of all the Association publications I promised to send you. This gives a brief description of each item.

As you said, your family entry appears in Volume III of MFNA. It seems quite complete except for the full names of your husband's parents (including his mother's maiden name) and a brief biography of you and your husband. Enclosed is a sheet which you may use to have your and Don's biography recorded. Other than that, there is no other information needed to qualify you for membership in our Association and to complete your family entry for our genealogical records. Since you were born a Merwin and are in our genealogy, your line is quite well established. Please look at your entry on page 366 of Volume III of MFNA and tell me whether any change is required.

Your parents' family is shown on page 285 of Volume III. The entries for your brother and sisters seem to be complete except for Mary Ellen. I was unable to get information about her in 1990. Perhaps she is now interested. I am enclosing a Merwin Family Record sheet in case any of your family would like to apply for membership. (This can be photocopied if more than one is required).

Also enclosed is a dues notice which you may use to join our Association. I believe you will enjoy being a part of our work.

Best regards,

Merwyn R. Buchanan

Dear Cousin:

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

Will you please give me any needed addition or correction of your entry as we now have it. A copy is enclosed.

If you have been born a Merwin (with the surname Merwin), you will be included in Volume III without question. You need not be a member of our Association. However, we would be pleased to have you join to support our efforts and be informed of the doings of Merwins around the globe. Just send me a check in the amount of $10 payable to Miles Merwin Assn. for annual dues and we will sign you up. If you are already a member, we appreciate your support.

If any of your children are now married, please give me their current address so I may contact them.

In reviewing my records, I found that I have written you more than three months ago requesting information about your family for inclusion in Volume III of The Merwin Family in North America, our genealogy.

It is possible that you have replied and I misfiled your letter since filing is not one of my strong points. If you have answered, please tell me so. If not, may I hear from you? Your answer will be much appreciated and ensure your being in the book.

Your cooperation will be much appreciated.

Thank you for your letter of condolense. It has, indeed, been the most difficult year.

As you requested, I am sending my daughter's address, also that of my son Allen. Add to that, my father, who since June, has been living with my daughter.

I will put addresses on the other side.

Maybe one of these years, we'll make it to a re-union. I would really enjoy meeting all of you —

Thank you again

example, in Volume I, MFNA, p. 71, is shown:

> 409. James Adair [6] Merwin bap. __ Aug 1770; mar. __ Sep 1792 Catey Dimon b. 24 Dec 1762... They had no children.

In fact, the couple had twelve children, as shown below in Additions and Corrections entry p.71 I (409). Descendant number 408 had no children (according to our present information); descendant number 407 had one child, Mary [7] Darling, whose descendant number is 875. Accordingly, James Adair's twelve children are given descendant numbers 875-01 through 875-12. The placement of these newly-found Merwins is best understood by reference to page 8 of the Lineage Locator published by the Association in 1986.

Where newly-discovered Merwin sons or daughters derive their connection to a Merwin in a generation prior to the eleventh generation, each person in his line will be shown in the Additions and Corrections section of Volume III up through the tenth generation. Then the Merwins in the eleventh and twelfth generations will be shown in the eleventh or twelfth generation of Volume III as the case may be. For example, one line from the
6469-35 above-mentioned James Adair entry on p.71 of Volume I Additions and Corrections ends with the family of ~~6470-35.~~ Anthony Phillip [12] Murwin. All of his predecessors up to and including the tenth generation are recorded in Volume III as additions to Volume I. Then his father, 5244-13. Oliver Phillip [11] Murwin is shown with his family in the eleventh generation chapter and
6469-35 ~~6470-35~~. Anthony Phillip [12] Murwin is shown in the twelfth generation chapter.

Acknowledgements

Many of the changes for the ninth and tenth generations were to record the passing of Merwins therein. This information was obtained mainly from Association members who wrote us to have the death of a relative reported in Milestones.

Additions and corrections of all the generations from the second through the tenth arose, in part, because of the discovery of Merwins not included in Volume I or II. These came about as the result of new members furnishing their lines back to a Merwin ancestor proven to be a descendant of Miles [1]. In a few instances I was able, through research, to complete the family of a Merwin in these generations. This occurred where volume I or II stated that a certain person died unmarried or without issue when, in fact, they had a family which I was able to document. In many cases, I was aided by interested persons, of whom four were most helpful: Mrs. Laura Newkirk Merwin, of Detroit, MI, wife of Association Vice President George Frederick Merwin (MFNA 5945), Douglas Richardson of Bethany, OK, Mrs. Beverly Nelson of Snohomish, WA, and Mr. William J. Cable, Sidney, NY. Many others also gave well-documented information, and the reference line after each entry gives credit to the person or source of the information.

If you have any comments about the content of this or the two preceeding volumes, please address them to me at the address

Dear Cousin:

Your parents gave me your new address and new husband's last name. We are in the process of preparing the manuscript for Volume III of The Merwin Family in North America.

Enclosed is your family entry as we now have it. Will you plese fill in the blanks about your second marriage and children (if any). Also, we would like a brief biography for both you and your new husband as suggested below.

Since you were born a Merwin, you will have your entry in Volume III without question. This is, however, a massive, expensive job and we would appreciate your joining our Association to help us publish Volume II. A dues form is enclosed for your convenience.

Best regards,
